The following words, terms and phrases, when used in this Subdivision I, ~~including both subdivision I and subdivision II~~, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning. Capitalized terms not defined in this section are defined in Division 1 of this Procurement Code, or in Sec. 1-3 of the County Code. Additional terms applicable to subdivision II are set forth in such subdivision.

BE IT FURTHER ORDAINED THAT Chapter 34, Article IV, Division 8, Sections 34-285 to 289 of the Cook County Code, are hereby amended as follows:

Subdivision II. Participation in Cook County Public Works Contracts

Sec. 34-285. Short title; incorporation of provisions.

This subdivision may be known and cited as the Cook County Public Works Minority- and Women-Owned Business Enterprise Ordinance and may be cited as such. ~~The provisions of the Cook County Minority and Women Owned business Enterprise General Ordinance are applicable to Public Works Contracts, except to the extent modified hereby.~~

Sec. 34-286. Findings.

(a) The findings set forth in subdivision I Sec. 34-261 of this division 8 are incorporated herein by this reference.

(b) The requirement in subdivision I that minority- and women-owned businesses (M/WBEs) be allotted certain percentages of County construction contracts was ruled unconstitutional as applied to construction contracts in *Builders Association of Greater Chicago v. County of Cook*, 256 F.3d 642 (7th Cir. 2001). See also *Builders Association of Greater Chicago v. City of Chicago*, 2003 WL 1786489, 2003 U.S. Dist. Lexis 23287 (N.D. Ill. 2003).

(c) The President and the Board of Commissioners of the County of Cook, after considering (i) evidence presented at trial in *Builders Association of Greater Chicago v. NEW ITEM #15 (cont'd)

County's Public Works Contracts; and (v) receiving and considering written reports, adopts the following findings as a strong basis in evidence supporting a narrowly tailored, remedial affirmative action program in Public Works Contracts.

(d) The County seeks to provide a level playing field and equal access for all prime contractors and subcontractors to participate in Public Works Contracts;

(e) The County has engaged in committee hearings in which the County has heard anecdotal evidence of discrimination in the construction industry, has commissioned a study on the levels of PCE participation in Public Works Contracts, has reviewed the report prepared indicating evidence of discrimination in Public Works Contracts and has considered the evidence in relevant case law; and

(f) In the absence of application of the Program to Public Works Contracts, the County has witnessed a drastic decline in PCE in its Public Works Contracts, to levels below the availability of PCEs, and thus, the County would be a passive participant in a discriminatory marketplace without the application of PCE goals.

Sec. 34-287 Policy.

~~Based on the findings set forth in subdivision I, Sec. 34-261 and the findings set forth in subdivision II, Sec. 34-286, and in addition to the policy set forth at Sec. 34-262, the policy and purpose of this subdivision is to establish and implement goals for participation of PCEs in Public Works Contracts, in accordance with all applicable laws.~~

It is hereby found, determined and declared that the purpose of this Ordinance is to ensure the full and equitable participation of Minority- and Women-Owned Business Enterprises in the County's procurement process as both prime and subcontractors in the County's construction contracts. The County is committed to a policy of preventing discrimination in the award of or participation in construction contracts and has recommended appropriate narrowly tailored remedies to eliminate any such discrimination.

Sec. 34-288. ~~Program goals.~~ Applicability.

~~— The Program Goal applicable to Public Works Contracts shall be a goal of twenty four percent (24%) of the annual total dollar amount of Public Works Contracts to MBEs and a goal of not less than ten percent (10%) of the annual total dollar amount of Public Works Contracts to WBEs. In establishing a Contract Specific Goal for Public Works Contracts, the CCD shall consider the availability of sufficient Certified MBEs and WBEs for each trade required as part of the project.~~

NEW ITEM #15 (cont'd)

This subdivision shall apply to all construction contracts funded in whole or in part by County funds, regardless of the sources of other funds; provided that any contract with respect to which a goal for Minority-Owned Business Enterprise or Women-Owned Business Enterprise participation is inconsistent with or prohibited by State or Federal law shall be exempt from the goals included in this subdivision.

Sec. 34-289. ~~Commercially Useful Function.~~ Severability.

~~———— To determine whether a PCE is performing a Commercially Useful Function, the County will evaluate whether the portion of the work subcontracted to or by a PCE is in accordance with industry standards. For example, if a PCE subcontracts a greater portion of the work of a Contract than would be expected based on normal industry practice, it is presumed not to perform a Commercially Useful Function. In addition, to perform a Commercially Useful Function, the PCE must be responsible, with respect to materials, equipment and supplies used in performing its portion of the Contract, for negotiating price, determining whether quality meets specifications, ordering the material, installing (where applicable) and paying for the material itself.~~

If any section, subsection, clause or provision of this subdivision is held to be invalid by a court of competent jurisdiction, the remainder of the subdivision shall not be affected by such invalidity.

Sec. 34-290. Definitions.

The following terms shall have the following meanings:

Affiliate of a person or entity means a person or entity that directly or indirectly through one or more intermediaries, controls or is controlled by, or is under common control with, the person or entity. Sec. 34-293. Program eligibility.

(b) Only a firm owned by a Socially and Economically Disadvantaged person(s) may be certified as a MBE or WBE.

- (1) The firm's ownership by a Socially and Economically Disadvantaged person must be real, substantial, and continuing, going beyond pro forma ownership of the firm as reflected in ownership documents. The owner(s) must enjoy the customary incidents of ownership and share in the risks and profits commensurate with that ownership interest.
- (2) The contributions of capital or Expertise by the Socially and Economically Disadvantaged owner(s) to acquire the ownership interest must be real and substantial. If Expertise is relied upon as part of a Socially and Economically Disadvantaged owner's contribution to acquire ownership, the Expertise must be of the requisite quality generally recognized in a specialized field, in areas critical to the firm's operations, indispensable to the firm's potential success, specific to the type of work the firm performs and documented in the firm's records. The individual whose Expertise is relied upon must have a commensurate financial investment in the firm.
- (c) Only a firm that is managed and controlled by a Socially and Economically Disadvantaged person(s) may be certified as a MBE or WBE.
- (1) A firm must not be subject to any formal or informal restrictions that limit the customary discretion of the Socially and Economically Disadvantaged owner(s). There can be no restrictions through corporate charter provisions, by-law provisions, contracts or any other formal or informal devices that prevent the Socially and Economically Disadvantaged owner(s), without the cooperation or vote of any non-Socially and Economically Disadvantaged person, from making any business decision of the firm, including the making of obligations or the disbursing of funds.
- (2) The Socially and Economically Disadvantaged owner(s) must possess the power to direct or cause the direction of the management and policies of the firm and to make day-to-day as well as long-term decisions on management, policy, operations and work.

Such delegations of authority must be revocable, and the Socially and Economically Disadvantaged owner(s) must retain the power to hire and fire any such person. The Socially and Economically Disadvantaged owner(s) must actually exercise control over the firm's operations, work, management and policy.
- (4) The Socially and Economically Disadvantaged owner(s) must have an overall understanding of, and managerial and technical competence, experience and Expertise, directly related to the firm's operations and work. The Socially and Economically Disadvantaged owner(s) must have the ability to intelligently and critically evaluate information presented by other participants in the firm's activities and to make independent decisions concerning the firm's daily operations, work, management, and policymaking.
- (5) If federal, state and/or local laws, regulations or statutes require the owner(s) to have a particular license or other credential to own and/or control a certain type of firm, then the Socially and Economically Disadvantaged owner(s) must possess the required license or credential. If state law, County ordinance or other law regulations or statute does not require that the owner possess the license or credential, that the owner(s) lacks such license or

credential is a factor, but is not dispositive, in determining whether the Socially and Economically Disadvantaged owner(s) actually controls the firm.

(6) A Socially and Economically Disadvantaged owner cannot engage in outside employment or other business interests that conflict with the management of the firm or prevent the owner from devoting sufficient time and attention to the affairs of the firm to manage and control its day to day activities.

(d) Only an independent firm may be certified as a MBE or WBE. An independent firm is one whose viability does not depend on its relationship with another firm. Recognition of an applicant as a separate entity for tax or corporate purposes is not necessarily sufficient to demonstrate that a firm is independent and non-Affiliated. In determining whether an applicant is an independent Business, the CC Director will:

(1) Scrutinize relationships with non-Certified Firms in such areas as personnel, facilities, equipment, financial and/or bonding support, and other resources.

(2) Consider whether present or recent employer/employee relationships between the Socially and Economically Disadvantaged owner(s) of the applicant and non-Certified Firms or persons associated with non-Certified Firms compromise the applicant's independence.

(3) Examine the applicant's relationships with non-Certified Firms to determine whether a pattern of exclusive or primary dealings with non-Certified Firm compromises the applicant's independence.

(4) Consider the consistency of relationships between the applicant and non-Certified Firms with normal industry practice.

(e) An applicant shall be certified only for specific types of work in which the Socially and Economically Disadvantaged owner(s) has the ability and Expertise to manage and control the firm's operations and work.

(f) The County shall certify the eligibility of Joint Ventures involving MBEs or WBEs and non-Certified Firms. To be considered an eligible Joint Venture, at least one partner of the Joint Venture must be a Certified Firm, with a share in the capital contribution, control, management, risks, and profits of the Joint Venture which is equal to its ownership interest. Each Certified Firm partner must contribute property, capital, efforts, skill and knowledge and be responsible for a distinct, clearly defined portion of the work of the contract. Joint Ventures must have an agreement in writing specifying the terms and conditions of the relationships between the partners and their relationship and responsibility to the contract.

(g) In lieu of conducting its own certifications, the CC Director by rule may accept formal certifications by other entities as meeting the requirements of the Program, if the CC Director determines that the certification standards of such entities are comparable to those of the County.

(h) The certification status of all MBEs and WBEs shall be reviewed periodically by the Office of Contract Compliance. Failure of the firm to seek recertification by filing the necessary documentation with the CC Director as provided by rule may result in decertification.

PRESIDENT continued

NEW ITEM #15 (cont'd)

(i) It is the responsibility of the Certified Firm to notify the CC Director of any change in its circumstances affecting its continued eligibility for the Program, including decertification by another agency. Failure to do so may result in the firm's decertification.

(j) The CC Director shall decertify a firm that does not continuously meet the eligibility criteria.

(k) Decertification by another agency shall create a prima facie case for decertification by the County. The challenged firm shall have the burden of proving that its County certification should be maintained.

(l) A firm that has been denied certification or recertification or has been decertified may protest the denial or decertification as provided by rule.

(m) A firm found to be ineligible may not apply for certification for six (6) months after the effective date of the final decision.

(n) A third party may challenge the eligibility of an applicant for certification or a Certified Firm as provided by rule. Such challenges shall be signed and sworn by the individual challenging the eligibility of an applicant for certification or a certified form. The burden of proof shall rest with the complainant. Such challenges to eligibility shall be subject to an appeal. The CC Director shall be the final arbiter of all challenges. The presumption that the challenged firm is eligible shall remain in effect until the CC Director renders a final decision.

Sec. 34-294. Annual aspirational goals.

The Annual Aspirational Goals for the utilization of MBEs and WBEs on County construction contracts and subcontracts shall be 24 percent for MBEs and ten (10) percent for WBEs.

Sec. 34-295. Project specific goals.

The CC Director, in consultation with the User Department, shall establish Project Specific Goals for construction Contracts based upon the availability of at least three MBEs and three WBEs to perform the anticipated subcontracting functions of the project and the County's utilization of MBEs and WBEs to date.

Sec. 34-296. Counting MBE and WBE participation.

(a) The entire amount of that portion of a contract that is performed by the MBEs or WBEs own forces shall be counted, including the cost of supplies and materials obtained by the MBE or WBE for the work of the contract, and supplies purchased or equipment leased by the MBE or WBE (except supplies and equipment the MBE or WBE purchases or leases from the prime Contractor or the prime Contractor's Affiliate).

PRESIDENT continued

NEW ITEM #15 (cont'd)

(b) The entire amount of fees or commissions charged by a MBE or WBE for providing a bona fide service, such as professional, technical, consultant or managerial services, or for providing bonds or insurance specifically required for the performance of a contract, shall be counted, provided the fee is reasonable and not excessive as compared with fees customarily charged for similar services.

(c) When a MBE or WBE performs as a participant in a Joint Venture, only the portion of the total dollar value of the contract equal to the distinct, clearly defined portion of the work of the Joint Venture's contract that is performed by the MBE or WBE with its own forces and for which it is separately at risk, shall be counted.

(d) Only expenditures to a MBE or WBE that is performing a Commercially Useful Function shall be counted. To determine whether a MBE or WBE is performing a Commercially Useful Function, the County will evaluate the amount of work subcontracted, industry practices, whether the amount the MBE or WBE is to be paid under the contract is commensurate with the work it is actually performing and other relevant factors. To perform a Commercially Useful Function, the MBE or WBE must be responsible, with respect to materials and supplies used on the contract, for negotiating price, determining quality and quantity, ordering the material, installing (where applicable) and paying for the material itself. A MBE or WBE does not perform a Commercially Useful Function if its role is limited to that of an extra participant in the contract through which funds are passed in order to obtain the appearance of MBE or WBE participation. If a MBE or WBE subcontracts a greater portion of the work of a contract than would be expected based on normal industry practice, it is presumed not to perform a Commercially Useful Function. When a MBE or WBE is presumed not to be performing a Commercially Useful Function, the Certified Firm may present evidence to rebut this presumption.

(e) One hundred percent of the cost of the materials or supplies obtained from a MBE or WBE Manufacturer or Regular Dealer shall be counted. One hundred percent of the fees or transportation charges for the delivery of materials or supplies required on a job site shall be counted only if the payment of such fees is a customary industry practice and are commensurate with fees customarily charged for similar services.

(f) If a firm ceases to be a Certified Firm for any other reason than graduation from the M/WBE Construction Program during its performance on a contract, the dollar value of work performed under a contract with that firm after it has ceased to be certified shall not be counted.

(g) In determining achievement of Project Specific Goals, the participation of a MBE or WBE shall not be counted until that amount has been paid to the MBE or WBE.

Sec. 34-297. Contract pre-award compliance procedures.

(a) For all solicitations, the bidder/proposer shall submit a Utilization Plan detailing all subcontractors from which the Contractor solicited bids or quotations, and if Project Specific Goals have been established, its achievement of the Goals or its Good Faith Efforts to do so. The Utilization Plan shall be due at the time the bid / proposal is due.

(b) Any agreement between a Contractor and a MBE or WBE in which the Contractor requires that the MBE or WBE not provide subcontracting quotations to other Contractors is prohibited.

PRESIDENT continued

NEW ITEM #15 (cont'd)

(c) Where the Contractor cannot achieve the Project Specific Goal(s), the CC Director will determine whether the Contractor has made Good Faith Efforts to meet the Goal(s). In making this determination, the Director will consider, at a minimum, the Contractor's efforts to:

- (1) Solicit through all reasonable and available means (e.g., attendance at pre-bid meetings, advertising and written notices) the interest of all MBEs and WBEs certified in the scopes of work of the contract. The Contractor shall provide interested MBEs and WBEs with timely, adequate information about the plans, specifications, and requirements of the contract to allow MBEs and WBEs to respond to the solicitation. The Contractor must follow up initial solicitations with interested MBEs and WBEs.
- (2) Select portions of the work to be performed by MBEs and WBEs in order to increase the likelihood that the Project Specific Goals will be achieved. This includes, where appropriate, breaking out contract work items into economically feasible units to facilitate MBE and WBE participation, even when the Contractor would otherwise prefer to perform these work items with its own forces. It is the Contractor's responsibility to make a portion of the work available to MBEs and WBEs and to select those portions of the work or material needs consistent with the availability MBEs and WBEs to facilitate their participation.
- (3) Negotiate in good faith with interested MBEs and WBEs. Evidence of such negotiation includes the names, addresses, and telephone numbers of MBEs and WBEs that were contacted; a description of the information provided regarding the plans and specifications for the work selected for subcontracting; and why agreements could not be reached with MBEs and WBEs. The Contractor may not reject MBEs and WBEs as being unqualified without sound reasons based on a thorough investigation of their capabilities. That there may be some additional costs involved in finding and using MBEs and WBEs is not in itself sufficient reason for a Contractor's failure to meet the Project Specific Goals, as long as such costs are reasonable. The ability or desire of a Contractor to perform the work of a contract with its own organization does not relieve it of the responsibility to make Good Faith Efforts on all scopes of work that could be subcontracted.
- (4) Make efforts to assist interested MBEs and WBEs in obtaining bonding, lines of credit, or insurance as required by the County or the prime Contractor, where appropriate.
- (5) Make efforts to assist interested MBEs and WBEs in obtaining necessary equipment, supplies, materials, or related assistance or services, where appropriate.
- (6) Use the services of the Office of Contract Compliance, available minority/women community organizations, minority/women contractors' groups, government sponsored minority/women business assistance offices and other appropriate organizations to provide assistance in the recruitment and placement of MBEs and WBEs.

PRESIDENT continued

NEW ITEM #15 (cont'd)

(e) In determining whether a Contractor has made Good Faith Efforts, the performance of other Contractors in meeting the Project Specific Goals may be considered. For example, when the apparent successful Contractor fails to meet the Project Specific Goals but others meet it, it may be reasonably questioned whether, with additional reasonable efforts, the apparent successful Contractor could have met the Project Specific Goals. Similarly, if the apparent successful Contractor fails to meet the Project Specific Goals, but meets or exceeds the average MBE or WBE participation obtained by other Contractors, this may be evidence that the apparent successful Contractor made Good Faith Efforts.

(f) A signed letter of intent from each listed MBE or WBE, describing the work, materials, equipment or services to be performed or provided by the MBE or WBE and the agreed upon dollar value shall be due at the time of bid proposal or within three days after such submission.

(g) The CC Director shall timely review the Utilization Plan before award, including the scope of work and the letters of intent from MBEs and WBEs. The CC Director may request clarification in writing of items listed in the Utilization Plan, provided such clarification shall not include the opportunity to augment listed participation or Good Faith Efforts.

(h) If the CC Director determines that the Utilization Plan demonstrates that the Project Specific Goals have been achieved or Good Faith Efforts made, with the concurrence of the User Department, the CC Director and User Department shall recommend award to Purchasing Agent Department.

(i) If the CC Director finds that a Contractor did not make sufficient Good Faith Efforts, the CC Director shall communicate this finding to the User Purchasing Department and recommend that the bid/proposal be rejected. A Contractor may protest this determination pursuant to the County's bid protest procedures.

Sec. 34-298. Contract administration procedures.

(a) Upon award of a contract by the County that includes Project Specific Goals, the Project Specific Goals become covenants of performance by the Contractors and incorporated in the contract.

(b) The Contractor shall provide a listing of all subcontractors to be used in the performance of the contract, and detailed subcontractor information to the County with each request for payment submitted to the County or as otherwise directed by the County. The CC Director and the User Department shall monitor subcontractor participation during the course of the contract. The County shall have full and timely access to the Contractor's books and records, including without limitation payroll records, tax returns and records and books of account, to determine the Contractor's compliance with its commitment to MBE and WBE participation and the status of any MBE or WBE performing any portion of the contract. This provision shall be in addition to, and not a substitute for, any other provision allowing inspection of the Contractor's records by any officer or official of the County for any purpose.

NEW ITEM #15 (cont'd)

(c) The Contractor cannot make changes to the Utilization Plan or substitute MBEs or WBEs named in the Utilization Plan without the prior written approval of the CC Director, Purchasing Agent and the User Department. Unauthorized changes or substitutions shall be a violation of this subdivision and a breach of contract, and may constitute grounds for rejection of the bid or proposal or cause termination of the executed contract for breach, the withholding of payment and/or subject the Contractor to contract penalties or other sanctions.

- (1) All requests for changes or substitutions of a MBE or WBE Subcontractor(s) named in the Utilization Plan shall be made to the CC Director, Purchasing Agent and the User Department in writing, and shall clearly and fully set forth the basis for the request. A Contractor shall not substitute a MBE or WBE subcontractor or perform the work designated for a MBE or WBE subcontractor with its own forces unless and until the CC Director, Purchasing Agent in consultation with the User Department, approves such substitution in writing. A Contractor shall not allow a substituted subcontractor to begin work until both the Director, Purchasing Agent and the User Department have approved the substitution.
- (2) The facts supporting the request must not have been known nor reasonably should have been known by either party before the submission of the Utilization Plan. Bid shopping is prohibited. The Contractor must negotiate with the MBE or WBE subcontractor to resolve the problem. Where there has been a mistake or disagreement about the scope of work, the MBE or WBE can be substituted only where an agreement cannot be reached for a reasonable price for the correct scope of work.
- (3) Substitutions of the subcontractor shall be permitted only on the following bases:
 - (i) Unavailability after receipt of reasonable notice to proceed.
 - (ii) Failure of performance.
 - (iii) Financial incapacity.
 - (iv) Refusal by the subcontractor to honor the bid or proposal price.
 - (v) Mistake of fact or law about the elements of the scope of work of a solicitation where agreement upon a reasonable price cannot be reached.
 - (vi) Failure of the subcontractor to meet insurance, licensing or bonding requirements; or
 - (vii) The subcontractor's withdrawal of its bid or proposal.
- (4) The final decision whether to permit or deny the proposed substitution, and the basis of any denial, shall be communicated to the parties in writing by the CC Director.

NEW ITEM #15 (cont'd)

- (5) Where the Contractor has established the basis for the substitution to the satisfaction of the County, the Contractor shall make Good Faith Efforts to fulfill the Utilization Plan. The Contractor may seek the assistance of the Office of Contract Compliance in obtaining a new MBE or WBE. If the Project Specific Goal(s) cannot be reached and Good Faith Efforts have been made, the Contractor may substitute with a non-Certified Firm.
- (6) If the County requires the substitution of a MBE or WBE subcontractor listed in the Utilization Plan, the Contractor shall undertake Good Faith Efforts to fulfill the Utilization Plan. The Contractor may seek the assistance of the Office of Contract Compliance in obtaining a new MBE or WBE subcontractor. If the Goal(s) cannot be reached and Good Faith Efforts have been made, the Contractor may substitute with a non-Certified Firm.
- (d) If a Contractor plans to hire a subcontractor on any scope of work that was not previously disclosed in the Utilization Plan, the Contractor shall obtain the approval of the CC Director to modify the Utilization Plan and must make Good Faith Efforts to ensure that MBES and WBEs have a fair opportunity to bid on the new scope of work.
- (e) Changes to the scopes of work shall be documented by the User Department at the time they arise to establish the reasons for the change and the effect on achievement of the MBE or WBE goal.
- (f) Prior to contract closeout, the CC Director shall evaluate the Contractor's fulfillment of the contracted goals, taking into account all approved substitutions, terminations and changes to the contract's scope of work. If the County determines that Good Faith Efforts to meet the MBE or WBE commitments were not made, or that fraudulent misrepresentations have been made, or any other breach of the contract or violation of this subdivision, a remedy or sanction may be imposed, as provided in the contract.

Sec. 34-299. Sanctions and penalties.

- (a) The following violations of this subdivision may result in a breach of contract:
- (1) Providing false or misleading information to the County in connection with submission of a bid, responses to requests for qualifications or proposals, Good Faith Efforts documentation, post award compliance, or other Program operations.
- (2) Committing any other violations of this subdivision.
- (b) A Contractor or subcontractor is subject to withholding of payments under the contract, termination of the contract for breach, contract penalties, or being barred or deemed non-responsive in future County solicitations and contracts as determined by the County's Purchasing Agent, if it is found to have:
- (1) Provided false or misleading information in connection with an application for certification or recertification or colluded with others to do so;
